DECLARATION OF CONFORMITY

NDAA Section 889(a)(1)(A)

Prohibition of Certain Telecommunications and Video Surveillance Equipment or Services

Algo Communication Products Ltd. confirms that all Algo-branded products and services comply with Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 and FAR 52.204-25.

Algo products and services do not contain or use covered telecommunications or video-surveillance equipment or services as a substantial or essential component of any system, or as critical technology within any system. This includes equipment or services produced or provided by the following entities, their subsidiaries, or their affiliates:

- Huawei Technologies Company
- ZTE Corporation
- Hytera Communications Corporation
- Hangzhou Hikvision Digital Technology Company
- Dahua Technology Company
- Any other entity designated as covered under Section 889 or FAR 52.204-25

Algo does not rely upon an exception or waiver in making this declaration.

This declaration applies to all Algo-branded products and services commercially offered as of the date below and specifically addresses NDAA Section 889 Part A.

Regards,

Ryan Zoehner

CEO
Algo Communication Products Ltd.
