

NEW Algo Warranty Program

Up to 6 Years of Warranty Coverage

Algo continues to raise the bar with a best-in-class warranty that delivers long-term protection and peace of mind.

Introducing Algo's Extended Warranty Program

Algo IP products are now backed by up to 6 years of warranty coverage, reflecting Algo's confidence in the quality, reliability, and long-term performance of our products.

3-YEAR STANDARD WARRANTY

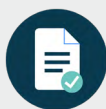

- Automatically included with all Algo IP hardware (products in the field as of July 1, 2026)
- No registration required

ADDITIONAL 3-YEAR EXTENDED WARRANTY

- Applies to IP endpoints
- Register your products to extend coverage to a total of **6 years**

How to Activate Your Extended Warranty

To receive the additional 3 years of coverage, eligible products must be registered with Algo.

Registration can be completed by:

- The end customer
- An Authorized Algo Partner or Integrator on the customer's behalf
