The "I Love U Guys" Foundation

The "I Love U Guys" Foundation serves the needs of students, administrators, public safety experts, families, and first responders through the development and training of school and community safety and family reunification programs, including The Standard Response Protocol (SRP) and The Standard Reunification Method (SRM).

The Foundation's Standard Response Protocol (SRP) and Standard Reunification Method (SRM) provide clear, practical guidance to help communities prepare for, respond to, and recover from critical incidents.

Mission Partnership

As a Mission Partner, Algo works with UC and mass notification partners to extend communications into physical spaces and deliver "I Love U Guys" protocols through audible and visual alerts.
